

Invitation to Sponsor the Minnesota World Elder Abuse Awareness Day Conference

The Minnesota Elder Justice Center invites your organization to be a Sponsor for the 11th Annual World Elder Abuse Awareness Day (WEAAD) Conference on June 15, 2016, to be held at the University of Minnesota's St. Paul Campus Continuing Education and Conference Center. The goal of World Elder Abuse Awareness Day Conference is to elevate the issue of elder abuse, neglect and financial exploitation and provide education on best practices for prevention and response.

This is an opportunity to help us reach 400+ aging, criminal justice and victim service professionals working with older and vulnerable victims, and to showcase your organization and services.

The Minnesota Elder Justice Center is a statewide nonprofit organization that works to prevent and alleviate the abuse, neglect, and financial exploitation of elders and vulnerable adults. In addition to supporting victims, training professionals, and reaching public audiences, the Minnesota Elder Justice Center convenes monthly **Center Partners** educational and networking meetings. The **Center Partners** consists of a group representing over 50 organizations who work with older or vulnerable adults, and **Minnesota's World Elder Abuse Awareness Day Conference is coordinated and presented by members of the Center Partners.**
