

MINNESOTA ELDER JUSTICE CENTER

Elder Abuse Support, Education, and Advocacy Services

What We Do

The Minnesota Elder Justice Center provides support, information and resources to older or vulnerable adults and their loved ones around issues of abuse, neglect and financial exploitation. We work to alleviate and prevent these issues at no cost.

We do this through:

- Direct services for victims and loved ones
- Community education
- Professional training and technical support to professionals working with older or vulnerable adults
- Criminal justice systems training
- Public policy and systems change

About Us

The Minnesota Elder Justice Center is a trusted resource that improves lives, communities, and systems with and on behalf of older and vulnerable adults.

The Minnesota Elder Justice Center organizational values incorporate:

- Integrity
- Justice
- Excellence
- Openhearted Collaboration
- Responsive Service
- Diversity, Equity & Inclusion

Our best practices approach is dedicated to preventing instances of abuse, and aiding victims and their advocates in stopping and eliminating future abuse.

Training Sessions

The Minnesota Elder Justice Center provides both professional training and community education throughout the state of Minnesota. Our training sessions cover best practices, prevention, and an array of other topics related to abuse, neglect and financial exploitation of older and vulnerable adults. We can tailor our presentations to meet the needs of your organization or group.

Professional training audiences include: health providers in acute and long-term care, law enforcement, social services, financial services, civil legal services and more.

We host free webinars on a broad array of elder justice topics on a near weekly basis; these webinars are listed on our website at elderjusticemn.org/webinars. Each June, the Minnesota Elder Justice Center hosts the World Elder Abuse Awareness Day conference for professionals in fields working with older or vulnerable adults.

To schedule a training or get more information, please call us at [651-440-9300](tel:651-440-9300).

Helpline

The Minnesota Elder Justice Center trained advocates can listen and support victims and loved ones through abuse, neglect and financial exploitation.

Along with this support we can:

- Locate needed resources
- Help make sense of complicated systems and processes
- Understand guardianship and conservatorship
- Provide legal systems support

Public Policy

The Minnesota Elder Justice Center advocates for systems and legislative changes to protect older and vulnerable adults from abuse, neglect and financial exploitation.

Our work includes convening and collaborating with diverse groups; grounding policy advocacy in best practice research; and advocating for root-cause solutions.
